**Song 9** (Job 38:4; 26:7; Isa. 40:22)

Where were you? Where were you?  
Where were you? (*Oh, where were you?*)  
When I laid the foundations of the earth?  
(*Where were you?*)

Where were you? Where were you?  
Where were you? (*Oh, where were you?*)  
When I sat above the circle of the earth?  
(*Where were you?*)

When I stretched a line and measured it;  
Hung the earth on nothing; it exactly fit!

Where were you? Where were you?  
Where were you? (*Oh, where were you?*)  
When I laid the foundations of the earth?  
(*Oh, where were you?*)

The great constellations we see over here  
Are different from those you see elsewhere.

The Milky Way Galaxy, oh, what a sight —  
And comets and meteors shoot by!

They shield and warm us ev'ry year -  
Lord, thank you for the atmosphere!

We speak and hear – it's very clear!  
Lord, thank you for the atmosphere!

Heavens and the earth He made.  
Stars and moon and winds  
    and clouds,  
And in the center, earth He laid.

Chorus:

Oh Lord, thank You for Creation -  
For your wond'rous declaration.

Through creation, visibly:  
His great pow'r and char'cteristics  
Ev'ryone can clearly see!

*(Can be sung to: Reuben, Reuben)*

## Song 16

1. Cows have calves, and  
horses have a foal or two,  
Bears have cuddly baby cubs;  
joeys come from kangaroos.  
Deer have fawns, and  
sheep have fluffy little lambs,  
Each according to its kind. (according to its kind!)

*Chorus:*

Each according to its kind! (according to its kind!)

Each according to its kind! (according to its kind!)

Heredity is orderly genetic'ly;

Each according to its kind! (according to its kind!)

2. Skunks aren't born with  
wings like a butterfly,  
Carrot seeds don't grow to be  
sequoias reaching to the sky!  
Plants make plants and  
animals make animals:  
Each according to its kind!

*(Can be sung to: The Old Grey Mare)*

    great, granddaddy  
Was not a gorilla – NO, NO!

Not one thing exists without Him!

Are not from primordial stew,  
No random, haphazard event could  
Make something as precious as you.

*(Can be sung to: Redeemed by the blood of the Lamb!)*

## Song 19

1. If you were the one who designed your face  
You might put your nose in a different place  
Way down by your toes or under your chin  
But, not upside down - the rain would come in!

2. If you were the one who designed your face  
You might put your eyes in a different place.  
On top of your head? You'd just see the sky.  
You'd have to bend over to see who goes by!

3. If you were the one who designed your face  
You might put your ears in a different place.  
Would one be enough? You really need two.  
One on each side - what else could you do?

4. If you were the one who designed your face  
You might put your mouth in a different place.  
It has to be handy - our mouth does so much  
Like eating, drinking and singing and such.

5. God is the one who designed your face,  
Each part He has put in the very best place!  
Two ears, and two eyes, and a nose pointing down  
With a mouth underneath where it ought to be found.  
Look in the mirror, you'll have to agree  
God has made us, oh, so wonderfully!  
God is the one who designed your face,  
Each part He has put in the very best place!  
God has designed us so wonderfully!

*(Can be sung to: Flow gently, sweet aften; glow little glowworm; we 3 kings; hot time; beautiful dreamer)*
